The figure is a detailed topographic map of the coastline between Pollina and San Mauro Castelverde. It features contour lines indicating elevation, with labels such as 1000, 900, 800, 700, 600, 500, 400, 300, 200, 100, and 0. The map highlights the coastline with a blue line and shows the area of interest for coastal erosion risk assessment. The risk levels are color-coded: red for high risk (P5), blue for very high risk (P4), cyan for high risk (P3), green for medium risk (P2), yellow for moderate risk (P1), and grey for low risk (P0). The map also shows the location of various coastal defense works, including barriers, dikes, and piers, which are marked with pink lines and symbols. The map includes labels for various locations and features, such as Pollina, San Mauro Castelverde, Tusa, and various hills and valleys. The map is oriented with North at the top.
